passtheproseccoplease.co.uk

Hello! I'm Lisa, a thirty-something mum of one, wife to the long-suffering husband and owner of a crazy dog and grumpy black cat.

I blog about parenting, lifestyle, and a little bit of everything for Pass the Prosecco Please, plus I provide content for other blogs and websites.

I was recently diagnosed with a chronic illness and also suffer from anxiety, which I write about regularly as well as my love of food and ongoing weight loss struggles.
